Knowledge is power is a phrase rightly put forth by Sir Francis Bacon. This is applicable in all aspects of life including the crucial decisions involving our career.

A program was held on the future aspects/options for fresh interns by the organization VIHA/TUTLE on the 15th April, 2019 at the AV auditorium in the General library. The program manager of TUTLE, Mr. R Vishnu Vardhan, commenced the talk and started by enlisting options of further education both in India and abroad. He laid out the pros and cons for both options and even guided how one can go about the decision making. The students were informed about their app which helps one to locate job opportunities in their nearby vicinity along with its eligibility criteria and pay scale. The app would enable fresh interns to make their first step into the sphere of clinical services.

Mr. Harish Kumar Raju the manager of VIHA, spoke about the services they provided for prospective students who opt to go abroad and went on to explain the different countries who accept Indian dental degrees and the necessary exams required to obtain licenses to practice and obtain further education. They help students with the visa procedures and make it simpler to get through the tedious process of moving to another country.

Overall the program was informative and crucial to the interns who are ready to take their next step in their career. It peddled practical possibilities and options available to the students clearing out a lot of misinformed notions and everybody in the audience was left with something to ponder upon.

Active Synchronous Distance Learning

By Swansea University (from the UK)
Delivered in Bangalore, India

Walk-in Open Day Session

Wed 29th May 2019
10:00 am - 5:00 pm

Come and meet with representatives from Swansea University at
St. John's Research Institute, Bangalore
to find out more about the course at your convenience.

Applications are now open for the distance learning course starting in
September 2019. This course will accept up to 10 students per intake/year.

Don't miss out!

The all-day walk-in Open day sessions will be held at the
Division of Medical Informatics, St. John's Research Institute,
100 Feet Road, Opp. Koramangala BDA Complex, Bangalore - 560034.

Please reply via email to s.y.h.lee@swansea.ac.uk to indicate your interest to

CAREER OPPORTUNITY FOR UNDERGRADUATE STUDENTS

Bachelor of Dental Surgery (BDS) is a very dynamic education branch. After completion of BDS there are various career opportunities and higher studies option for the students. A career guidance programme was conducted on 24-05-2019 at Seminar hall, DSCDS to create awareness among the interns at Dayananda Sagar College of Dental Sciences. Dr. Rayan Fernandes, Assistant Professor at St. John's Medical Informatics Department addressed all the interns about the various aspects of Health informatics and their role in Medicine and Dentistry. He also gave an insight about pursuing Master of Science in Health Informatics an active synchronous distance learning programme by Swansea University (UK).

A handwritten signature in green ink, consisting of a stylized 'H' followed by a long horizontal line that ends in a small flourish.

Report on Career Guidance program titles DDS in USA: Challenges and opportunities

A Career guidance lecture on the topic “**Doctor of Dental Surgery in United States: Challenges and Opportunities**” was organized for the benefit of Interns and post graduate students. The program was scheduled on the 14th of June 2019 in AV Auditorium of the Digital Library, DSI between 1.45 pm to 3.30 pm.

The program was initiated with the Introduction of the speaker for the program Dr Abhishek Jahagirdar, DDS (University of California, San Francisco). He is an alumnus staff of Dayananda Sagar College of Dental Sciences. The programme mainly focused on the dos and donts of pursuing the DDS course in United States. He spoke in length about the various scholarships available to pursue higher studies as well as an insight about difficulties faced by students in procuring loans and how to overcome them. He also gave inputs to the students regarding the scope of practicing dentistry in US. Dentistry is among the few top paid jobs in the US.

This followed by an interactive session with the interns and the speaker answered each of their queries with full enthusiasm.

1/10/21

Dayananda Sagar College of Dental Sciences

Dayananda Sagar Institutions, Campus - 1, Shavige Malleshwara Hills, Kumaraswamy
Layout, Bangalore 560 078, Karnataka; India

The Dayananda Sagar College of Dental Sciences in association with Macula Healthcare conducted a Career Guidance program for the House Surgeons on 01.10.2021.

Dr. Hemanth M, Principal welcomed the guest speakers, Dr. Jithendra and Dr. Madhumalathi J and thanked them for taking time off to share their experience and guide our students on career prospects after completing the Graduate Program in Dentistry.

Dr. (Major) Madhumalathi J spoke about setting up a business model and explained concepts of entrepreneurship which is beneficial for the workforce as well as society in large. With this, Dr. Madhu, set the stage on all activities of Macula Healthcare, and it's involvement with DSI and DSCDS.

Dr. Jithendra briefed the audience on the importance of having a Entrepreneur like mindset to see success in clinical practice or venture into business models that provide an insight into innovation which is in line with the Atal Innovation Mission an initiative of the Government of India. He explained the idea of this program was to provide education on the incubation centre which had been setup in collaboration with School. Of Engineering, Dayananda Sagar University, as well as to expose the entrepreneurial qualities that every individual has. He reinforced that Macula Healthcare provides such support and solutions with a highly motivated and integrated team of professionals to take up business plans and invited all to be part of the same when required by taking up projects that may be in Healthcare, with options for scalability and Lean or limited Management.

This program gave an insight on thinking out-of-the-box with regard to career options after the Graduate program in Dentistry. While it is imperative that Clinical practice be of main stay, business oriented Dental innovations could now be possible too.. In collaboration with Macula Healthcare and DSCDS.

Pictures shared show glimpses of the event.

NEET ORIENTATION PROGRAM FOR INTERNS

12/01/2021

A program for orienting our interns regarding the NEET MDS exams was conducted from 2.30pm to 3.30pm on 12.1.2021 by Dr Shiva Prasad BM, Professor from FAME Academy. He explained why & how systematic preparation was required, if they have to clear NEET exams with flying colors. He provided them a road map towards achieving this and also answered their apt & important questions clarifying many of their doubts.

Towards the end of the program, Dr Hemanth M, Principal mentioned the importance of correct approach & need for proper guidance to reach their goal. Overall the program was well received, which ended with an open minded discussion between the Interns & Dr Shiva Prasad BM.

Report on Career Guidance Program

A Career Guidance program "Career Opportunities abroad- A fireside chat "was conducted on the 14th of March 2022. A panel consisting of the guest speakers Dr. Kshama Swamy, Dr. Kumar N C, Dr. Avinash J and Dr. Hemanth M carried out the fireside chat. It was an informal interactive session about the various career prospects for the budding doctors in India and USA. Details about various courses such as DDS bridge course, Masters in Public Health, Dental informatics, Masters in Hospital Administration, Clinical research, Artificial intelligence and machine learning were discussed. The students interacted with the speakers by asking questions that were promptly answered by the panelists. Overall, the program was very informative and we hope it would help the students in their future career planning.

Dayananda Sagar College of Dental Sciences Alumni Association ®

The Dayananda Sagar College of Dental Sciences' Alumni Association conducted a Career Guidance program for the benefit of Interns and Final Year BDS students by inviting it's Alumni member Dr. Smruthi Ramprakash Panyam from the Batch of 1997 to give her insights on Clinical research as a Career Opportunity.

Dr. Smruthi is currently the Director of Clinical Data Informatics, in Beigene GmbH and based in Germany. She has held multiple positions in the industry globally spanning across India, Japan, USA, Poland and Germany.

Dr. Vinod Rangan Secretary of the DSCDS Alumni Association spoke about the programs planned out by the association commencing this year with the 'Knowledge Exchange Series' with fruitful interactions between Alumni and the College.

Dr. Hemanth, Principal welcomed the Guest speaker and appreciated the efforts of the Alumni Association in bringing about the programs as planned. He urged the students and Interns to be proactive and be part of the Association once they complete the course and be role models by achieving great heights in their careers and come back to bring their experience to their juniors in the future to come. He acknowledged the presence of Dr. Ajaz Pasha, Vice President of the DSCDS-AA UG Batch of 1993, Dr. Vinod Rangan, Secretary DSCDS-AA, UG Batch of 1998, Dr. Veena Pai, Treasurer DSCDS-AA UG Batch of 1999 and all other Alumni members gathered.

Dr. Smruthi then spoke about various aspects of clinical research and the opportunity that comes with it in association with other bio diverse organizations in the field of Research and Clinical trials. The students had an informative interaction.

The talk was followed by a short Q & A session where the participants interacted one to one with the Guest Speaker.

Vote of thanks was proposed and delivered by Dr. Ashok HK, Alumni UG Batch of 1999.

Event concluded with thanks to the organizing team that included Dr. Fatima Khalidi (PG Alumni) , Dr. Brunda Gowda(PG Alumni) Dr. Darsan JP(PG Alumni) as well as the Alumni association.

Pre-Placement Talk and Campus Interview

A Pre-Placement talk and campus interview was organized by the DSCDS Alumni association and MERCK India for the benefit of Interns.

Dr Manjunatha BV and Dr Akshata Rao from MERCK India were the speakers. Dr Manjunath was 1995 batch Alumnus of DSCDS. He is currently the Associate Director, Safety Project Management and Periodic Safety Reports, Bangalore. Biopharma | Global Patient Safety | Operations of Merck India.

Programme commenced with introduction of the company and the speakers by Dr Veena S Pai followed by welcome speech by Principal Dr Hemanth, where he congratulated the Alumni Association for conducting such program and insisted on diversification beyond dentistry.

Dr Akshata and Dr Manjunath spoke on their company history, gave elaborate talk on clinical research and its prospectus and also on the opportunities available in their Bangalore branch for interns.

A total of 30 interns attended the program in which most of them showed interest to join for whom immediate preliminary interview was conducted for 6 interns.

Report on campus interview and placement program in association with
Symphony AI.

A Campus interview and a pre placement talk was organized by the DSCDS Alumni Association and Symphony AI, Bangalore for the benefit of our Interns and Alumni on 19th of April 2022.

Mr. Renuka Prasad, from the Recruitment Division and Mrs. Sushma were the speakers. Programme commenced with introduction of the company. The company deals with data abstraction and has over 130 people working with them especially in the field of oncology technology. The company was looking for candidates with BDs degree and MDS in Oral Pathology, Oral Medicine and Public Health Dentistry who were familiar with oral oncology and who had experience in reading and writing of medical records.

Interns and alumni members attended the session and were also interviewed for the various posts that were available. 10 interns were shortlisted in the interview.

**Campus placement – By Symphony AI
19th April 2022**

*DSCDS is one of the very few institutions in the country to
arrange placements in a dental college*
