PERFORMANCE APPRAISAL POLICY – TEACHING & NON TEACHING STAFF

Institution has an effective appraisal policy for teaching and non-teaching staff.

For teaching staff

All faculty members have to submit an annual report of their activities.

Head of the department will evaluate the faculty members and submit a confidential appraisal report to the principal of college.

Criteria for the annual performance appraisal:

The criteria for the annual appraisal of faculty performance are based on the college's mission and on the responsibilities of faculty members which serve the following three pillars:

- Teaching and student supervision
- Scientific research and publication
- Institution and community services

Faculty member are requested to provide information regarding the measures taken in teaching and clinical training, conducting research, scientific presentations and publications. In addition, faculty member's service to the Institution and to the community are equally important. They should participate in the activities of committees and councils, and offer scientific contributions inside and outside the college. This helps them to achieve balance by building their portfolio in areas that require more attention.

For non-teaching staff

HOD will give an annual report in regard to conduct, discipline and performance as per guidelines which will be submitted to Head of institution for review and final evaluation by the principal decides the appraisal.

Based on these evaluations annual increments are given.
