The National Conference of Indian Society of Periodontology will provide the students with the opportunity to gain insights into Periodontology which is witnessing remarkable and unprecedented growth with regards to knowledge and skills with every passing day and knowledge and skills are powers which require sharing to be multiplied. This year the 44th ISP national conference was conducted at Bangalore on 8th, 9th and 10th November at The Grand Castle, Palace Ground, Bangalore. As the part of the conference, various preconference sessions were conducted in different dental colleges and we Dayananda Sagar College Of Dental Sciences were proud to host the 44th ISP Preconference course on Magnification, Precision, Minimal Intervention–Redefining Periodontal therapy by Dr Rashmi Hedge, Associate Professor, Department of Periodontics, Bharathiya Vidyapeeth, Pune. Department of Periodontics, Dayananda Sagar College of Dental Sciences in association with the Indian Society of Periodontology's conducted the Pre-Conference workshop at the very picturesque campus of Dayananda Sagar College Of Dental Sciences on 7th November 2019. Around 50 delegates from various other prestigious institutions from across the country (Hyderabad, Goa, Mumbai) attended the conference. Periodontal therapies are continuously going through a paradigm shift and procedures are becoming more oriented towards precise therapy with minimal intervention and with the use of magnification for accurate treatment. Keeping with the theme of the conference, we were happy to host 2 sessions of Lecture with hands on Work shop with a reputed Speaker Dr Reshmi Hegde, Associate Professor, Bharathiya Vidyapeeth who gave us a wonderful insights on the intricacies of periodontal therapies combined with precision and accuracy. The Scientific session started at 9.30am with the guest lecture delivered by Dr

WORKSHOP ON HEALTH RESEARCH METHODOLOGY AND HEALTH STATISTICS

"DAYANANDA SAGAR – SAMSHODHANA"
DEPARTMENT OF PUBLIC HEALTH DENTISTRY
DAYANANDA SAGAR COLLEGE OF DENTAL SCIENCES
DATE: 28TH, 29TH, 30TH AND 31ST AUG 2018

Resource Persons:-

1. Dr Nagesh Lakshminarayan, MDS, PGDHPE(KLEU and University of Illinois,USA), 'MPhil'. Professor and Head of Department, Dept. of Public Health Dentistry, DSCDS.
2. Dr Ravi Shirahatti, MDS, PGDHPE (KLEU and University of Illinois,USA), 'MHPE'(University of Dundee, Scotland), PGDB.
3. Dr Shyam Sivasamy, MDS, PGDB (Madurai Kamraj University).

We from the Department of Public Health Dentistry, DSCDS are proud to report you that we successfully organized and conducted a WORKSHOP ON HEALTH RESEARCH METHODOLOGY AND HEALTH STATISTICS from the 28th -31st of August 2018 at the CIL AUDITORIUM, DSI.

Dr Nagesh L, the chief resource person for the workshop, along with **Dr Ravi Shirahatti** and **Dr Shyam Sivasamy (speakers)**, are faculty in the discipline of Public Health Dentistry and have been conducting workshops on **Research Methodology, Biostatistics, Critical Evaluation of Scientific Articles, Research Ethics, Scientific Writing and other allied topics** for many years. They have conducted workshops on above said subjects in medical colleges and dental colleges across the country.

The inaugural function took place on 28th August, 2018 at 11:45 AM, and the occasion was graced by **Shri Galiswamy**, Secretary, DSI, **Dr. Hemanth M**, Principal, DSCDS and **Dr. Roopa R Nadig**, Dean, DSCDS.

We had an overwhelming response from the staff of different specialties from our college, and around 10 staff from other medical and dental colleges across Bangalore. There were around 50 registrations for the CDE Programme which was beyond our expectations and the Karnataka State Dental Council has awarded 18 CDE points for the research workshop.

PRINCIPAL
Dayananda Sagar College of Dental Sciences
Kumaraswamy Layout,
Bangalore - 560 078.

The workshop helped every participant to know the fundamentals of Health research and Health statistics, to identify a Research problem, formulate Research question, Research hypothesis, and Null hypothesis and defend. They were able to clearly formulate the objectives of a research and do literature search (basic and advanced) on a research topic using Pub med and other search engines and compile the available literature. They were also able to calculate sample size for a given research using G power soft ware and enter the dummy data into the excel sheet, import, analyze the data using SPSS and interpret the data.

At the end of the CDE Programme we received very good feedback for organizing such a programme. Most of them were happy to have gained more knowledge and take home messages. Each and every one of the delegates went home with eager minds to pen down their research works and to do further research with the skills that they had acquired in these 4 days.

The programme was a huge success, and this is a remarkable achievement for the Department of Public Health Dentistry, DSCDS, and for the DSI as a whole.

WORKSHOP ON CRITICAL EVALUATION OF SCIENTIFIC ARTICLES.

"DAYANANDA SAGAR – SAMSHODHANA"
DEPARTMENT OF PUBLIC HEALTH DENTISTRY
DAYANANDA SAGAR COLLEGE OF DENTAL SCIENCES
DATE: 30TH AND 31ST JAN 2019

Resource Persons:-

1. Dr Nagesh Lakshminarayan, MDS, PGDHPE(KLEU and University of Illinois,USA), 'MPhil'. Professor and Head of Department, Dept. of Public Health Dentistry, DSCDS.
2. Dr Puja C Yavagal, MDS. Professor, Dept. of Public Health Dentistry, Bapuji Dental College and Hospital.
3. Dr Shyam Sivasamy, MDS, PGDB (Madurai Kamraj University). Reader, Meenakshi Ammal Dental College, Chennai, Tamil Nadu.

We from the Department of Public Health Dentistry, DSCDS are proud to report you that we successfully organized and conducted a WORKSHOP ON CRITICAL EVALUATION OF SCIENTIFIC ARTICLES on the 30th and 31st of January 2019 at the Histology Lab, Dental College Building, DSI. We thank the management and Principal profusely for providing the facilities and encouragement to do the workshop.

The proposal for this program was first suggested in a staff meeting, in the department of Public Health Dentistry. Our intention was to conduct a research program which would be a continuation of our first workshop on Health Research Methodology and Health Statistics. The workshop was designed to help every participant to apply the knowledge of basics of Health research and Health statistics into application through group activities. The idea was to practice the principle of 'Learning by Doing'. This can also drive the concepts of research methodology and biostatistics deep into the realm of 'Known' in the delegates.

The registration for the research program was first opened up to the faculty and PG students of our college, till 18th Jan 2019. Later, the brochure was sent through emails and whatsapp groups to the Heads of the Department, Dept. of Public Health Dentistry of other dental colleges in Karnataka. We had an overwhelming response from the staff of different specialties from our college, and around 10 staff from other dental colleges across Bangalore. One staff also from Rama Dental College, Kanpur attended the program. Around 55 postgraduates from the Department of Public Health Dentistry of different dental colleges in Karnataka also attended the research program and workshop. We stopped the

Bangalore - 560 078.

registrations once we reached 80 participants. Karnataka State Dental Council has awarded 12 CDE points for the workshop. The registration fee for the workshop was Rs. 900/-.

Dr Nagesh L, the chief resource person for the workshop, along with Dr Puja C Yavagal and Dr Shyam Sivasamy (speakers), are faculty in the discipline of Public Health Dentistry and have been conducting workshops on **Research Methodology, Biostatistics, Critical Evaluation of Scientific Articles, Research Ethics, Scientific Writing and other allied topics** for many years. They have conducted workshops on above said subjects in medical colleges and dental colleges across the country.

The inaugural function took place on 30th January 2019 at 10:30 AM, and the occasion was graced by Dr. Roopa R Nadig, Dean, DSCDS. She lighted the lamp and rendered a formal welcome to the resource persons and delegates.

All the participants were assigned into seven different groups for active learning and discussion. This workshop enabled the delegates to develop critical evaluation skills for different study designs and will help them in future to convert the descriptive journal clubs into critical evaluation journal clubs. Articles with different study designs were critically evaluated using different check lists like; (STROBE, CASP, PRISMA and JEDAD). Group activities were carefully designed to facilitate learning. The delegates participated with lot of enthusiasm. The sessions were very interactive and productive discussions happened between the participants and the resource persons. Google forms for feedback were sent to all the participants with a request to sincerely send their feedback without fail on both days. The feedback analysis was done and the report was found to be very positive and encouraging.

The valedictory function took place on 31st January 2019 at 3:30 pm, and the occasion was graced by Shri. Galiswamy, Secretary, DSI; Dr. Hemanth M, Principal, DSCDS and Dr. Roopa R Nadig, Dean, DSCDS. Our honorable Secretary Sir distributed the certificates to all the participants.

A copy of the brochure with schedule, certificate and feedback are hereby enclosed.

COMPREHENSIVE IMPLANTOLOGY WORKSHOP (2018)

A 3-day Comprehensive IMPLANT Workshop was held at Dayananda Sagar College of Dental Sciences, Bangalore, on 30Jan -1 Feb, 2018

It was an intense, knowledge filled, skill enhancing program & first of its kind workshops done by our institution. The beneficiaries were our Interns, PG students & staff members, who made use of this program to the maximum extent. The program was the result of a collective effort of 4 departments (Departments of Periodontics, Oral Medicine, Oral Surgery, & Prosthodontics). The workshop comprised of didactic lectures by three well known resource persons- Dr. Anuradha Navneetham, Dr. Vinayak Gowda and Dr. Ramesh Chowdary, one lecture on each day.

A live surgery on a patient was conducted by a very reputed resource person, Prof. Dr. Anuradha (An Oral & Maxillofacial Surgeon & a former employee of DSCDS). Demonstration of placement of implants on dummy mandible was given by Dr. Vinayak, following which all the delegates had their hands on course.

The next 2 days were filled by PGs and staff delegates placing a total of 14 implants on patients, an all-time DSCDS record till date. These surgeries were guided by Professor, Dr. Vinayak Gowda. The program ended by a valedictory function.

COMPREHENSIVE LASER WORKSHOP (2018)

A 2-day comprehensive LASER workshop was held at CD Sagar & Dept. of Orthodontics, DSCDS, Bangalore, on 16th April & 17th April 2018. With the objective of training our students on all the possible emerging trends, advances & future of dentistry, this program was held after the successful completion of the comprehensive implant workshop in January 2018.

LASERs in dentistry is fast gaining ground replacing many a traditional procedures including scalpel surgical procedures.

Day 1 of LASER workshop took off well with lecture by a very eminent resource person Dr Shiva Prasad BM. His lecture was well appreciated by all & was followed by inauguration. We had our chief guest as Dr Raison Thomas for the program. Inauguration was followed by a lecture by our alumni Dr Ajaz Pasha, who helped the delegates to understand the wider applications of LASERs. Post lunch sessions had the most interesting & much awaited part of the program, i.e. hands on training & surgeries on patients by the delegates. Surgeries on patients were relayed live for all the others present.

Out of 110 registered delegates, around 50 delegates were Interns, PG students & staff members from our college & **more than 50 from other colleges of Bangalore & Tumkur.**

On **Day 2** we were very happy to see the interest & impact that got created among the participants as the program unfolded. It started with a guest lecture by Dr Vinaya Kumar. Day 1 and day 2 witnessed 40 hands-on procedures & 15 LASER procedures on patients. The program ended by a small valedictory function.

The National Conference of Indian Society of Periodontology will provide the students with the opportunity to gain insights into Periodontology which is witnessing remarkable and unprecedented growth with regards to knowledge and skills with every passing day and knowledge and skills are powers which require sharing to be multiplied. This year the 44th ISP national conference was conducted at Bangalore on 8th, 9th and 10th November at The Grand Castle, Palace Ground, Bangalore. As the part of the conference, various preconference sessions were conducted in different dental colleges and we Dayananda Sagar College Of Dental Sciences were proud to host the 44th ISP Preconference course on Magnification, Precision, Minimal Intervention–Redefining Periodontal therapy by Dr Rashmi Hedge, Associate Professor, Department of Periodontics, Bharathiya Vidyapeeth, Pune. Department of Periodontics, Dayananda Sagar College of Dental Sciences in association with the Indian Society of Periodontology's conducted the Pre-Conference workshop at the very picturesque campus of Dayananda Sagar College Of Dental Sciences on 7th November 2019. Around 50 delegates from various other prestigious institutions from across the country (Hyderabad, Goa, Mumbai) attended the conference. Periodontal therapies are continuously going through a paradigm shift and procedures are becoming more oriented towards precise therapy with minimal intervention and with the use of magnification for accurate treatment. Keeping with the theme of the conference, we were happy to host 2 sessions of Lecture with hands on Work shop with a reputed Speaker Dr Reshmi Hegde, Associate Professor, Bharathiya Vidyapeeth who gave us a wonderful insights on the intricacies of periodontal therapies combined with precision and accuracy. The Scientific session started at 9.30am with the guest lecture delivered by Dr

Reshmi Hegde. The inaugural ceremony was graced by CHIEF GUEST Dr. Abhay Kholte, Secretary Indian Society Of Periodontology, Dr Anirban Chatterjee, Organising Secretary, 44th ISP National Conference as guest of Honour, Dr. Hemanth M, Principal, DSCDS & Dr Savita AM (Prof And Head) Department of Periodontology. Inaugural Ceremony was graced by the Head of various departments, senior dental faculty members and post graduates from various other departments. Dr. Savita AM, Professor and Head; Department of Periodontology, welcomed the gathering and appreciated the initiative taken by Indian Society Of Periodontology for meticulously organising the 44th ISP National Conference and thanked them for considering Dayananda Sagar College Of Dental Sciences as one among the venues for conducting preconference session. Dr Abhay Kholte gave the inaugural address. Dr Anirban Chatterjee highlighted the details of the conference, and appreciated Dayananda Sagar college of Dental Sciences for organising the preconference in a meticulous way. Dr Reshmi Hedge, a multi-faceted talent was also acknowledged for her talent in meticulously carving out with the objectives of demystifying the significance of microscope in the management of periodontal diseases and enlightening the delegates with the benefits associated with using electron microscope. The inaugural ceremony concluded, with a vote of thanks given by Dr. Pallavi, Senior Lecturer, Department of Periodontology.

The second part of the session started at 12.30pm. The sessions were properly planned and executed meticulously with the Hands On Workshop on Magnification, Precision, Minimal Intervention – Redefining Periodontal therapies in association with the Indian Society of Periodontology. Carl Zeiss AG branded as ZEISS, a German manufacturer of optical systems and optoelectronics provided us with

As oral hygiene day celebrations continue every year on 1st August, Dayananda Sagar college of Dental Sciences celebrated Oral Hygiene Day on 1st August, 2018 in a unique way, with the theme committed to expanding its educational program, spreading the message of Oral health and its importance.

The inaugural ceremony was graced by chief guest Dr. Meenakshi Bharath, Dr. Hemanth M, Principal DSCDS, Dr. Roopa R Nadig (Dean, DSCDS) and Dr. Savita AM (Prof & Head, Department of Periodontology) along with the Head of various Departments, senior dental and medical faculty from various institutes and post graduates.

The inaugural address was given by Dr. Meenakshi Bharath. She stressed on the importance of Oral Health integration with systemic health. A scientific session on title "ORAL HEALTH – A GATEWAY TO OVERALL HEALTH " by Dr. Prerana. An E-Poster competition was held to provide a platform for UGS and PGs to portray their knowledge on oral health awareness. The theme for Undergraduate poster was set as "Prevention of Periodontal diseases" and for postgraduates as "Oral Health = overall Health. An overwhelming response from undergraduates and postgraduates was recognised.

The second part of the session was commenced by a colourful FLASH MOB in front of the dental college, beautifully choreographed by the proficient interns, DSCDS along with the presentation of skit, to create awareness on oral hygiene.

Circular

This is to inform the HODs, staff, PG & UG students (I, II, III, IV years & interns) of all the clinical & basic sciences departments, that department of Periodontics is conducting Oral hygiene day program on 1st August 2018 at Seminar Hall-1 of Heritage building from 9.00 AM to 11.30 AM. The program intends to create awareness about the importance of Oral hygiene, oral health and importance of oral health in creation and/or maintenance of optimal general health.

The **chief guest** for the program is a reputed gynecologist and a green campaigner **Dr Meenakshi Bharath**, who would emphasize the need for good oral hygiene and overall health.

As a part of the program there will be a flash mob (in front of Dental College building) & rally inside the campus from 12.30PM to 1.30PM.

Request the HODs of all departments to permit their staff and students to attend the program. Attached is the brochure for your kind reference.

Yours faithfully

(Dr Hemanth M, MDS, PhD)

International Women's Day Celebration 2018

'Relevance of Women in current workforce scenario'

Dayananda Sagar College of Dental Sciences, celebrated International Women's day on March 8th 2018. The programme was conducted in the Dept of Oral Medicine and Radiology. The Chief Guest for the programme was Mrs. Asha N Madusudhan, Principal of Dayananda Sagar Institute of Technology, Bangalore. She spoke about '*Relevance of Women in current workforce scenario*' highlighting the role of women to build an inspiring work culture through healthy competition and teamwork, thereby aiding the institution to develop to full potential. She spoke about how women fail to go back to work after marriage or childbirth being unable to maintain work-life balance that can affect country's economy. She spoke about measures an organization or institution and family can take to prevent this drop out of women workforce. A total of 84 participants attended the programme and the content of the lecture was well received.

Summary Report Anti Ragging Workshop 2019 conducted in OSCDS.

Venue: CD Sagar Building

Timing: 2pm Onwards

Date: 12/11/19

The Anti Ragging Workshop, 2019 was held under the guidance and chairmanship of our Principal Dr. Hemanth.M at Dayananda Sagar College of Dental Sciences on 12th Nov 2019.

It was conducted as a part of the sensitization & awareness creation for the students of Dayananda Sagar College of Dental Sciences (DSCDS) as mandated by the Dental Council of India (DCI). It was a half a day workshop for which the Chief Guest was Dr. Shiv Sharan Shetty, DCI Member, Syndicate & Senate Member, RGUHS. We also had with us senior Advocates from the High Court of Karnataka Mr. Sreeprasad & Mr. Padmanab and the Police Inspector from the Jurisdictional Police Station, Mr. Shivkumar present with us for the entire program. The workshop was presided over by the Secretary of our institution, Shri. Galiswamy.

Dr. Hemanth M, our Principal outlined all the necessary measures that have been taken to keep our college a 'Ragging-Free college' and also focused on innovative measures that our college has adopted to tackle this menace like setting up of a Mentorship Cell which involves equal participation from freshers & senior students in a 'mentor-mentee' relationship. This has been a proven technique that when employed had seen favourable results in improving interaction and comradeship between students. The Chief Guest & the Advocates spoke in great length about Ragging as a social evil, the rules and regulations regarding acts that are constituted as ragging. It was a great learning experience for our students who were also given important lessons in the do's & don'ts while interacting with their juniors & seniors alike. It proved to be a very helpful & informative workshop wherein it was ingrained into the students that both the act of ragging as well as being overly sensitive to friendly overtures thereby blowing them out of proportion can be detrimental to both the fresher & the senior students. The students were told to carry themselves with responsibility and focus on what they have come here for, that being education & studies.

The event also saw the felicitation of one of our First year BDS student, Ms. Preeti by the Chief Guest Dr. Shiv Sharan & by our Principal Dr. Hemanth M for having won a total of 6 medals in Swimming. She represented our college in the State Inter-Collegiate Aquatic Championships held at BAC, Bangalore where she won 3 Gold & 1 Bronze medals and also at the National level in the All India Inter University Games held at Punjab wherein she was successful in getting 2 more bronze medals.

2nd COMPREHENSIVE IMPLANTOLOGY WORKSHOP (2019)

Module 1 lectures , Exam and Preclinical

Module 2-day 1

Module 2-day 2

Module 2-day 3

Dayananda Sagar Group of Institutions
Dayananda Sagar College of Dental Sciences
Kumaraswamy Layout,
Bangalore - 560 078.

The didactic part of the surgical module (second module) was conducted at the Dept. of Oral Surgery from 28th March till 29th March 2019. The lectures were covered by our staff prior to the hands-on workshop as a 2 - full day program.

This time, we had developed a protocol, where the delegates had to give an exam before taking up the 2nd module. This time we collected feedback in an e-format for the lectures & the workshop conducted.

The study material for all the lectures of Modules 1 & 2 were mailed to all the delegates well in advance to facilitate learning & in a process of providing study material to the participants.

The surgical hands-on module was conducted from 8th - 10th April 2019, which gave a wonderful hands-on training to all the delegates by making them place implants on dummy mandibles as well as on patients. This module was a coordinated effort of four departments: Departments of Oral Medicine and Radiology, Oral Surgery, Periodontics and Prosthodontics conducted with the help of renowned external resource persons Dr Vinayak Gowda and Dr. Deepak. The programme was inaugurated by the Chief Guest, Dr. A.N.N Murthy, honourable Vice Chancellor of DSU and our beloved Secretary Shri Galiswamy as guest of honour. Dr ANN Murthy has helped by signing an MOU for a collaborative project with Aerospace Engineering, DSU.

In 3 days we placed 20 implants as compared to placement of only 30 implants in 5 whole years between 2013 to 2018. All 3 days, cases done by delegates were guided by the resource persons by personally being present in the Minor-OT giving inputs for the implant placement & helping them with each step right from case of the surgical procedure.

Some interesting & challenging cases were chosen for live demonstration by the resource persons Dr Vinayak Gowda and Dr Deepak Shiva who efficiently demonstrated their skills with detailed explanation of each step. The department of Oral Surgery has now been equipped with a TV & facility to project live, the proceedings from the Minor-OT, which was utilized well for the 2-way interaction between the resource persons & the delegates. It was a unique & memorable experience for the delegates at DSCDS, which all of them enjoyed

PRINCIPAL
Dayananda Sagar College of Dental Sciences
Kumaraswamy Layout,
Bangalore - 560 078,

thoroughly, where many questions raised by the delegates were clarified by the resource persons.

The responses for the training were extremely satisfactory and encouraging. Overall, the delegates enjoyed and liked the hands-on training and appreciated the enthusiasm, motivation, patience and cooperation of the resource persons during the conduction of the workshop. They appreciated & acknowledged the fact of demonstrating unique cases, which they usually don't find in regular textbooks.

The implants placed in this module will be restored in a 2-day program of 3rd module where the implants will be restored with crowns facilitating proper function and esthetics.

The workshop ended on 10th April with a panel discussion, valedictory & a photo session.

DAYANANDA SAGAR COLLEGE OF DENTAL SCIENCES

MENTORSHIP COMMITTEE

As an initiative in 2019, Dayananda Sagar college of Dental Sciences, formulated a Mentorship Committee along various other committees in January under the leadership of the Head of the Institution Prof. Dr Hemanth M as the Chairperson of the Committee and Dr Nagesh L, Professor and Head, Department of Public health dentistry as the Co-Chairperson and chief mentor of the committee. Prof. Capt Nagaraj Subbarao was included as the external member of the committee as per the direction of Vice Chairperson Dr Premachandra Sagar. The committee conducted meetings couple of times and formulated a policy document, which was approved by all the committee members and also the external member Prof. Capt. Nagaraj Subbarao. The committee has planned to conduct a series of workshops on mentorship to enhance the knowledge as well as train the faculty of DSCDS to take up the mentees and make a head start of the mentorship programme in the institution including and involving 1st Year BDS students from Aug 2019.

In this connection the mentorship committee organized its 1st workshop titled "Demystifying Mentorship" at CIL on 17th May 2019 between 11.30 AM to 2.00 PM. The resource person for the workshop was Prof. Capt. Nagaraj Subbarao, Dean, Center for Executive Education and Professor, School of commerce and Management Studies. The workshop was conducted for all the teaching faculty of DSCDS. The participants were segregated into five groups to facilitate group activities.

The workshop was very inspiring and informative. The presentations were engaging, highly informative and very productive with multiple group activities. We extend our thanks and gratitude to the resource person for such inspiring presentations. Organizing this programme was a learning experience for the Mentorship Committee of DSCDS and the committee looks forward to organize many more such programmes.

WORKSHOP ON MENTORSHIP TRAINING

JUNE 11TH AND 12TH 2019

Mentorship program when implemented is a value addition and feather in the cap for any institution. It provides an effective support system for the students and helps the faculty to know the students better. In this connection, the Mentorship Committee of DSCDS organized and conducted an exclusive workshop to orient the faculty of DSCDS to mentorship. This program was the result of constant encouragement and support extended by Dr. D. Premachandra Sagar, Vice-Chairman of DSI.

Our Principal Dr.Hemanth.M, is also the Chairperson of the committee who whole heartedly extended his support and provided the required inputs for organizing and conducting the program. The committee selected two very able resource persons for the program, namely:

1. Dr. Medha A Joshi

Professor and HOD,

Dept. of Allied Sciences

Faculty of Life and Allied Health Sciences

M.S. Ramaiah University of Applied Sciences

2. Dr. Pushpanjali

Professor and HOD,

Dept. of Public Health Dentistry

Faculty of Dental Sciences

M.S. Ramaiah University of Applied Sciences

They accepted our invitation and planned a curriculum for the workshop very successfully.

The workshop was held on 11th and 12th June 2019, in the CIL classroom. A copy of the schedule is hereby enclosed. The sessions were very interactive and also encouraged participatory learning. Participants enjoyed learning and they have given a very positive feedback. KSDC has granted nine credit points for this program.

We, the mentorship committee extend our heartfelt thanks to our Vice Chairman Dr. D. Premachandra Sagar, our Secretary Sri. Galiswamy, and our Principal Dr Hemanth M for all the support.

A copy of the brochure, certificate are hereby enclosed.

REPORT ON WORLD NO TOBACCO DAY

Every year, on 31st May, the World Health Organization (WHO) and global partners celebrate World No Tobacco Day (WNTD). The annual campaign was used as a platform to raise awareness on the harmful and deadly effects of tobacco use and second-hand smoke exposure, and to discourage the use of tobacco in any form.

The focus of World No Tobacco Day 2019 is on **"TOBACCO AND LUNG HEALTH"**. Smoking is the number one cause of Oral cancer and other respiratory diseases. In this regard, Dayananda Sagar College of Dental Sciences conducted various programs

1. Screening and Awareness camp at BMTC Bus Depot, Banashankari 3rd stage

A screening camp and anti tobacco related campaign was conducted for the bus conductors, drivers, mechanics & public at the BMTC Bus Depot, Banashankari 3rd stage. About 150 people were screened for precancerous and other oral lesions. Camp referral cards were provided to them to avail dental treatment in our college at highly subsidized charges. IEC materials related to tobacco and its ill effects were distributed to the masses to create awareness.

2. Awareness rally near Lalbagh west gate

A team of dental doctors and interns of Dayananda Sagar College of Dental Sciences participated in the awareness rally and walkathon in association with Shankara Cancer Society from 7.30am to 9.30am. The rally started from Lalbagh west gate and ended at the Shankara Cancer Society. About 500 people were provided with IEC material during the rally.

3. Health talk at NR colony, UPHC

A health awareness talk regarding the ill effects of smoking and other forms of tobacco was given by staff of department of Public Health Dentistry to about 80 patients at the UPHC, NR colony. IEC materials were also distributed in the local market area. About 300 people were benefitted by the program

4. Rally and Health Awareness program near BMCRI, Chamrajpet

A health awareness rally was conducted from Bangalore Medical College & Research Institute to Chamrajpet followed by a health talk at BMCRI. Staff and interns of Dayananda Sagar college of Dental Sciences participated in the rally and talk which was conducted in association with DC office, Ministry of Health, Karnataka and Karnataka Cancer Society. IEC material were distributed to the masses at the rally.

"Oral Pathology: At Crossroads"

CDE Programme held in Dr. D Premachandra Sagar Auditorium & Centre for Performing Arts on February 19th, 2019 by Department of Oral Pathology, DSCDS.

The Department of Oral Pathology & Microbiology conducted a Continuing Dental Education Programme titled "Oral Pathology: At Crossroads" on the 19th of February, 2019 at the Dr. D Premachandra Sagar Auditorium & Centre for Performing Arts, Dayananda Sagar Institution campus.

The event was a highly successful one which saw participation from almost all the colleges in Bangalore with the number of registered delegates numbering upto almost 500 for the day. The event was presided over by Shri. Galiswamy, Secretary, DSI and was organized by Dr. Krishnanand PS, Professor & Head, Department of Oral Pathology, DSCDS. The entire event was conducted under the Chairmanship of Dr. Hemanth. M, Principal DSCDS. The Chief Guest for the event was Dr. Rajakumar Alle, President, Karnataka State Dental Council (KSDC).

The one day CDE programme, envisioned to discuss & deliberate the setting of a clear future path for the specialty of Oral Pathology, also witnessed the Inauguration of the Bangalore Society of Oral Pathologists for Oral Cancer (BSOPOC) of which Dr. Krishnanand PS is the Secretary. It is a registered body formed by the city's Oral Pathologists who have come together to address the raising concerns of Oral Cancer which is a very prevalent but much less addressed health concern of magnanimous proportions & create public awareness regarding the same.

The programme witnessed scientific talks by speakers of immense repute like Dr. Vishal Rao, an acclaimed Consultant Head & Neck Onco-surgeon & a celebrated TEDx speaker. The gathering was also addressed by Dr. Raghu Radhakrishnan, the Director for International Collaborations & Research, Manipal Academy of Higher Education. Even NGOs like Karnataka Cancer Society were involved in the day's deliberations. The afternoon session saw a very interesting Panel Discussion conducted for the benefit of the student community in which all the city colleges' Heads of the Departments took part as Panellists & Moderators.

Cordially invite you to

"Rapid Recap - Sculpting the future"

for the examining post graduate students

This program is sculpted so as to fine tune and prepare the students to confidently and effectively face the final theory, practical and viva voce. This will offer a comprehensive and holistic insight by experienced academicians on a single platform. The present day dental post graduate students come with different learning preferences and style. To cater to such a diverse group, interactive sessions are planned to encourage critical thinking, problem solving and decision making skills.

INTERNATIONAL WOMEN'S DAY 2020 CELEBRATION

THEME- HEALTHY SMILE FOR HER

Internal complaints committee for sexual harassment against women, DSCDS along with Dept of Periodontology, on the occasion of International Women's Day 2020, conducted an oral health awareness programme for women on theme 'HEALTHY SMILE FOR HER.' On this day, free oral health checks up for all female patients were organized. Changing hormone levels in women at different stages of life can affect oral health and lead to various gingival and periodontal conditions. Patients were educated about these aspects and were made aware of the importance of oral health in women. Free oral prophylaxis was done for all female patients from 9th – 14th March 2020. Also handouts were given to women at large to spread oral hygiene awareness and its importance and come forward for treatment. A total of 120 students and staff attended the programme.

DR. Archana Naik, Reader Department of Periodontology, welcomed the gathering and highlighted the importance of Periopanorma 2020 an initiative which is well planned and organized to touch all the domains in Periodontology. The inaugural address was given by Dr. Kumar NC, Senate Member, RGUHS. He appreciated Department of Periodontics, DSCDS for bringing together people from different sides of bilingualism - research and clinical - an inspired decision which paid off volumes. It was a perfect mix of topics, people, science and social gathering. And the inauguration ceremony concluded with a vote of thanks given by Dr Sunil S, Department of Periodontology, DSCDS.

The sessions conducted on 28th and 29th were properly planned and executed meticulously. Renowned speakers like Dr AR Pradeep, Dr Raison Thomas, Dr Shiva Prasad, Dr Arun KV were invited. At the end of every session a new approach of conducting test with multiple choice questions were encouraged an overwhelming response from postgraduate student delegates were recognised. A novel lecturing session on how to destress yourself and to face the exam with confidence was introduced by Department of Periodontics, DSCDS by our inhouse speaker Dr Sunil S, Associate Professor, DSCDS. A panel discussion was organised with participating colleges Vydehi Dental College, VS dental college, Bangalore institute of dental sciences, Bangalore. Experts shared and build upon each other experiences. They advised the students to make the best use of the opportunities available in the present days and appreciated the efforts of the organizers for the successful conduct of the workshop.

The event concluded, on 30th January with a valedictory function. Prof Dr. Mohammed Faizuddin addressed the gathering and thanked the audience for their valuable presence. He also commented on the wave of gratitude felt from the postgraduate students. He also encouraged them to give a feed back on the programme conducted. Dr Savita AM (Professor and Head, Department of Periodontology) acknowledged the support and co-operation to the extended managements, Principals, Dean, Head of departments of various colleges other department faculty & students of all the colleges, audiovisual support, print and digital media and all those who contributed to make the event a grand success. A prize distribution was organised for the students who scored maximum marks for the Question and Answer session conducted at the end of each session. Dr Varsha Venugopal, an third year

postgraduate student ,DSCDS won the first prize and Dr Aisha Vydehi institute of dental sciences for second prize .

The feedbacks were collected on the last day of the workshop where the students expressed their views about the lectures ,live demonstrations and the panel discussion conducted by Periopanorama 2020.The Form consisted questions that were sketched to appraise all the aspects of the demonstration spanning from the content to the clarity of presentation.The responses for the training were extremely satisfactory and encouraging.

Overall, the delegates enjoyed and appreciated the enthusiasm, motivation, patience and cooperation of the resource persons during the conduction of Periopanorama 2020. They appreciated & acknowledged the fact of the session being taken in depth .They expressed their gratitude for making excellent arrangements for food and hospitality also.

Dayananda Sagar College of Dental Sciences

Dayananda Sagar Institutions, Campus - 1, Shavige Malleshwara Hills, Kumaraswamy
Layout, Bangalore 560 078, Karnataka; India

The Dayananda Sagar College of Dental Sciences in association with Macula Healthcare conducted a Career Guidance program for the House Surgeons on 01.10.2021.

Dr. Hemanth M, Principal welcomed the guest speakers, Dr. Jithendra and Dr. Madhumalathi J and thanked them for taking time off to share their experience and guide our students on career prospects after completing the Graduate Program in Dentistry.

Dr. (Major) Madhumalathi J spoke about setting up a business model and explained concepts of entrepreneurship which is beneficial for the workforce as well as society in large. With this, Dr. Madhu, set the stage on all activities of Macula Healthcare, and it's involvement with DSI and DSCDS.

Dr. Jithendra briefed the audience on the importance of having a Entrepreneur like mindset to see success in clinical practice or venture into business models that provide an insight into innovation which is in line with the Atal Innovation Mission an initiative of the Government of India. He explained the idea of this program was to provide education on the incubation centre which had been setup in collaboration with School. Of Engineering, Dayananda Sagar University, as well as to expose the entrepreneurial qualities that every individual has. He reinforced that Macula Healthcare provides such support and solutions with a highly motivated and integrated team of professionals to take up business plans and invited all to be part of the same when required by taking up projects that may be in Healthcare, with options for scalability and Lean or limited Management.

This program gave an insight on thinking out-of-the-box with regard to career options after the Graduate program in Dentistry. While it is imperative that Clinical practice be of main stay, business oriented Dental innovations could now be possible too.. In collaboration with Macula Healthcare and DSCDS.

Pictures shared show glimpses of the event.

Dayananda Sagar College of Dental Sciences, NSS wing and NMO wing in association with Samartha Bharath celebrated the National Youth Day which is the birthday day of our inspirational Swamy Vivekananda. The chief guest for the program was Dr. M Jayaprakash ji, Deputy Director of animal husbandry and veterinary sciences, Govt. of Karnataka. He inspired the youth with the exceptional story of the life of Swamy Vivekananda and told the youth to work towards the betterment of the country. The talk was well accepted by the audience. The Guest of Honor for the program was Miss. Praneetha Subhash, a well known cine actress who has done more than 20 movies in south Indian cinemas and a philanthropist herself. She has adopted many schools for the underprivileged and has worked towards their betterment. She spoke of the need for blood donation in these covid times as there was a dearth for human blood in emergencies. Dr. Krishnananda, Professor of Oral Pathology, spoke about National Medicos Organization and its functions. Our Principal, Dr. Hemanth M told the audience to draw inspiration from the works and words of Swamy Vivekananda and be passionate about serving mankind and as health professionals it was the best opportunity.

Report on World No Tobacco Day Webinar
5th June 2021

Dayananda Sagar College of Dental Sciences Bangalore, Department of Public Health Dentistry in association with NSS RGUHS conducted a Webinar on the topic Holistic approach to Tobacco Cessation to commemorate the World No Tobacco Day which is celebrated on the 31st of May every year. The theme for this year is----“**COMMIT TO QUIT**”. The Webinar was based on this theme and we invited distinguished speakers in the field of tobacco cessation **Dr Vikrant Mohanthy, Dr Ashwini and Ms. Shinon** from Maulana Azad Institute of Dental Sciences, Delhi.

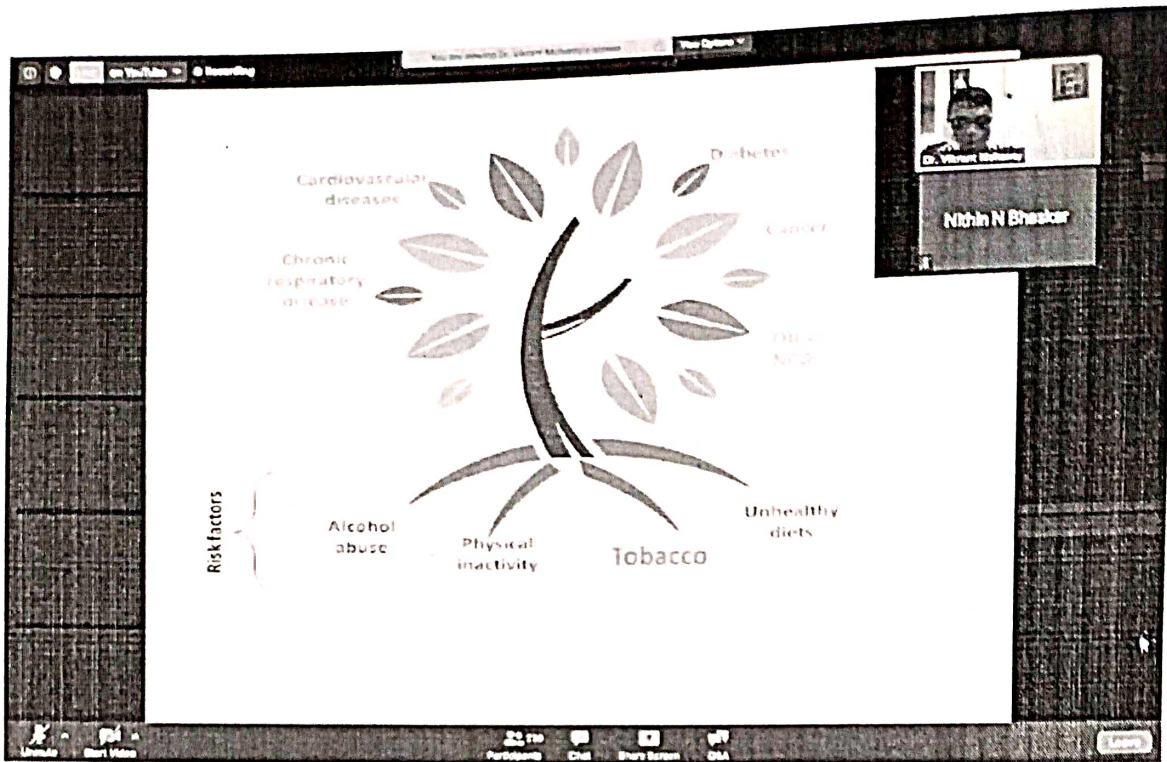

The program was planned in 4 sessions including **role-play** where a team of Psychologists and psychotherapists enacted a patient and doctor conversation and the various strategies that could be adopted to help the patient in tobacco cessation. **The first session** consisted all the basic information and statistics of tobacco production, forms and its usage in India and around the world. The existing rules and guidelines for its production and sales were also mentioned.

The second session focused around dentist as the main resource person and an important stake holder of Tobacco cessation and how tobacco cessation cells in colleges could be utilized in helping students quit the habit as well as plan and strategize a holistic method for cessation. Various **Nicotine replacement therapies** were discussed in detail. The speakers covered various topics of tobacco cessation and the **role of dentists, family, peers and society** in quitting the habit. The last session of the program covered **research lacunae** where many areas of Research evidence was low or moderate was highlighted and these could open up new venues for research for our post graduate students.

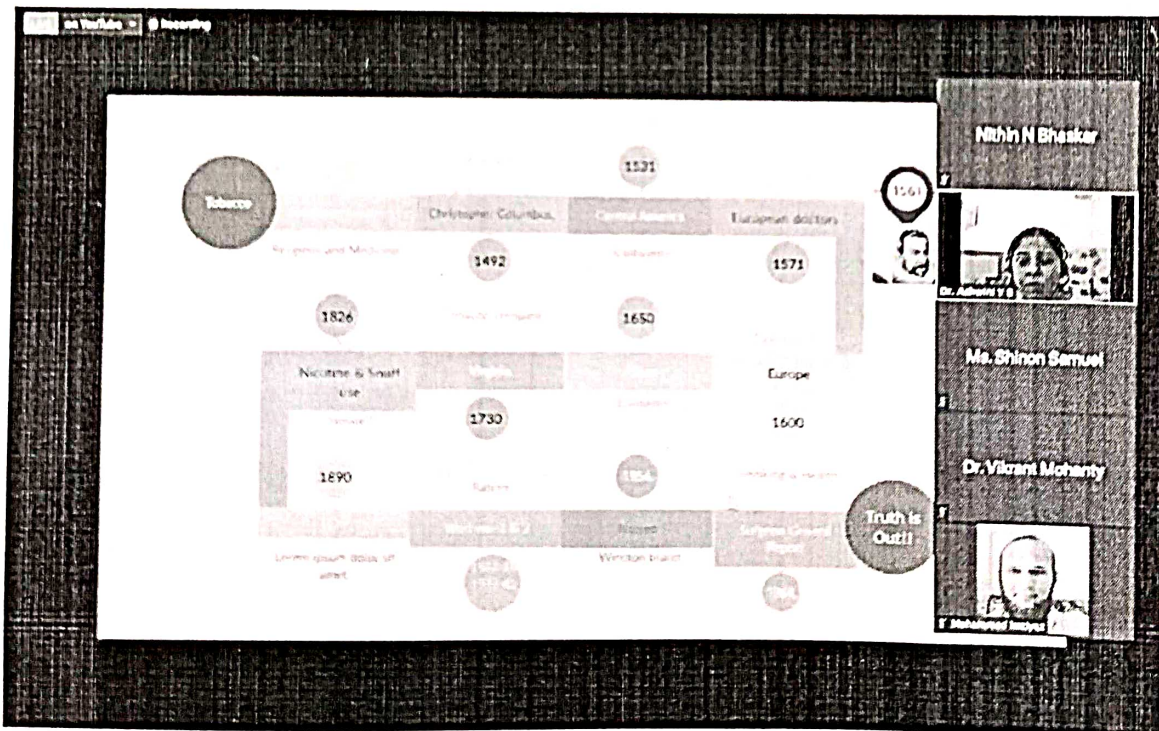

More than 230 participants around the country attended the program. They were given an opportunity to ask various questions to the speakers to which prompt and precise answers were given. Overall the sessions were highly informative.

BIOMEDICAL WASTE MANAGEMENT: 08/08/2022

In the world of medicine, dentistry has a big role in safe guarding our society. In dental hospitals there are number of hazardous wastes generated every day. These wastes should be properly segregated, treated and finally disposed of. Recently, COVID-19 outbreak increased the quantity of urban solid waste generated and changed its composition. Hence this is the need of the hour to discuss about management of bio-medical waste generated in hospitals follows standard protocols for segregation and disposal.

A CDE programme was conducted in Dayananda Sagar College of Dental Sciences on 08-02-2022 at Preclinical block, first floor in Class Room No.1 on Biomedical waste management in dentistry. The Program commenced from 2:15 PM, faculty, post graduate students and interns were attended.

Dr. Pavan Kumar. T Assistant Professor in Faculty of Dental Sciences, Ramaiah University of Applied Sciences, Bangalore was invited to deliver a guest lecture. The programme started with the inaugural ceremony and introductory note by Dr. Koduru Sravani Senior lecturer (Department of periodontology) welcoming the chief guest and gathering by Dr Savita A M, Professor & Head (Department of Periodontology) followed by keynote address by our Principal Dr. Hemanth. M.

The guest lecture compiled on biomedical waste classification, segregation, treatment and also emphasized on importance of pre-treatment and disposal of biomedical dental waste management. The resource person also explained the various modes and steps involved in the segregation and disposal of waste at institutional and hospital sectors. The programme concluded with a positive note by thanking the chief guest, management, principal, faculty, organising committee, AV team, post graduate and undergraduate students.

Report on World No Tobacco Day 2022

Dayananda Sagar College of Dental Sciences in association with Karnataka Cancer Society observed the **World No Tobacco Day on the 31st of May 2022**. In this connection, a mega awareness rally was organized from Banashankari bus stand to our college campus between 9 AM to 10.30 AM. About 400 students and staff of Dayananda Sagar Institutions and members from Karnataka Cancer Society participated in the rally. A flash mob to gather the crowd, and a street play to convey the consequences of tobacco usage were performed for the benefit of public. Pamphlets regarding ill effects of tobacco usage in its various forms were distributed to the public who were gathered to see the street play as well as the motorists and passersby along the route of the rally. The rally was flagged off by Dr. Parimala Marur, Director, Department of Health and Family Welfare, Govt. of Karnataka and Mrs. Shanchala, Senior Manager, Canara bank. The rally culminated at Dr. Premachandra Sagar auditorium and refreshments were served to all the participants.

A formal program was organized at Dr. Premachandra Sagar auditorium of Performing arts from 11.00 AM to 1.30 PM. The program was presided by Dr Hemanth M, Principal, Dayananda Sagar College of Dental Sciences and Mr Suresh, president, Karnataka Cancer Society and the chief guests for the program were Swamy Tadyuktananda ji Maharaj of Ramakrishna Math; Dr. Ramachandra R, Director of Kidwai Memorial Hospital, Bangalore; Mr. Suchendra Prasad, actor and Director, President of Samskara Bharathi, South region and Dr. Mamatha M S, Deputy Director, Joint Director Office and BBMP. A key note address was delivered by Dr. L Nagesh, Professor Emeritus, Research and Development on tobacco as a menace to society and measures to be taken to curb this problem. More than 600 people had gathered for this programme and took the Anti-Tobacco Pledge which was delivered by Swamiji. The guests spoke about importance of tobacco cessation and ways to reduce production of tobacco products.

ORAL HYGIENE DAY 1st AUGUST 2022

Oral hygiene day is a very special day for a periodontist and the general dentist as we are the brand ambassadors. National Oral hygiene day is celebrated on August 1st to commemorate the birth anniversary of Dr Govind B Shankwalkar, a true legend and father of Indian Periodontics.

Every year the department of Peridontology celebrates Oral hygiene day in a unique way. The theme for this year was "Healthier gums Stronger teeth".

The following events were conducted:

1. Smile contest
2. Slogan writing competition

Apart from the above events other activities were also conducted like

1. Distribution of free samples of free samples of oral hygiene aids to patients
2. Displaying of short oral hygiene videos

Oral hygiene awareness was given to all patients by giving educational pamphlets and displaying short video. Free samples were distributed to all patients reporting to the department. The program was followed for a week (1st to 7th August) and free scaling treatment was done to poor patients. Brushing techniques were demonstrated and Oral Hygiene Instructions were also rendered to patients. Interns, PGs and Staff actively participated in these events.

The incharge staff for the events were Dr Archana Naik, Reader and Dr K Sravani Sr Lecturer from the dept of Periodontology.

Rules for the competitions was clearly mentioned for the participants.

The theme for the Slogan Writing contest was "Oral hygiene and care". Slogan writing was presented as a powerpoint in one slide. Students came up with well written slogans to educate the importance of oral hygiene.

Good oral health is especially important for us because oral health equals overall health.

A healthy smile means that the **teeth and gums that are well-taken care of, clean and strong.** It is and expression of joy, pleasure and positivity. Hence the "smile contest" was an apt way to bring a sense of positivity in the students and promote the significance of good oral health to the people

There was active participation by the undergraduates and post graduates in both the competitions. Prizes were given for the best three for slogan writing and Smile contest.

Women's Oral health -Our Concern

Internal Complaints Committee (ICC) for sexual harassment against women, DSCDS in association with Bangalore Academy of Periodontology (BAP) celebrated International Women's day with the theme "Women's Oral health- Our Concern" on 17th March 2022. All the female faculties and students from various Colleges of Dayananda Sagar Institutions attended the programme.

Dr Vijaylakshmi Balekundri, Professor emeritus, a renowned Pediatric cardiologist, philanthropist, rich in Kannada literature and excellent Orator was the chief guest. Dr Savita AM, Professor and Head of the department of Periodontology welcomed and introduced the chief guest. Our beloved principal Dr Hemanth M addressed the gathering. The chief guest gave an impactful oration on "Gender Equality today for Sustainable Tomorrow" flawlessly in both Kannada and English languages. She recalled the role of Indian women right from ancient history who were in front line warriors, social entrepreneur, Reformers, and sports achievers. The audience and students were highly motivated, with youngster interacting and sharing their experience and difficulties. Dr Pallavi, Asst professor from the department of Periodontology, Presented DSCDS on "Importance of Oral Hygiene" and conveyed the message to the audience that prevention is better than cure. Dr Archana Naik, Reader from the department of Periodontology, DSCDS, gave tips on "Healthy Mouth for you and me" where she explained the effects of oral health of women during puberty, pregnancy and Menopause. The programme concluded with a cultural event by the interns and final year BDS students depicting ill-treatment and injustice to women in the society and how they
