ORAL HYGIENE AWARENESS PROGRAMME – REPORT 2019

**DEPARTMENT OF PERIODONTICS AND DEPARTMENT OF COMMUNITY DENTISTRY
DAYANANDA SAGAR COLLEGE OF DENTAL SCIENCES, BANGALORE.**

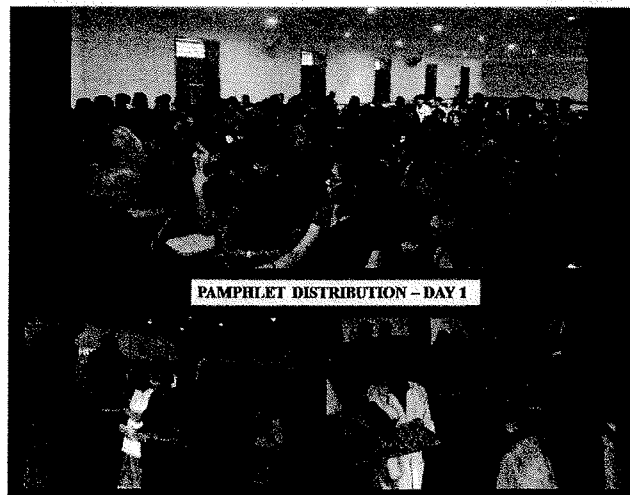

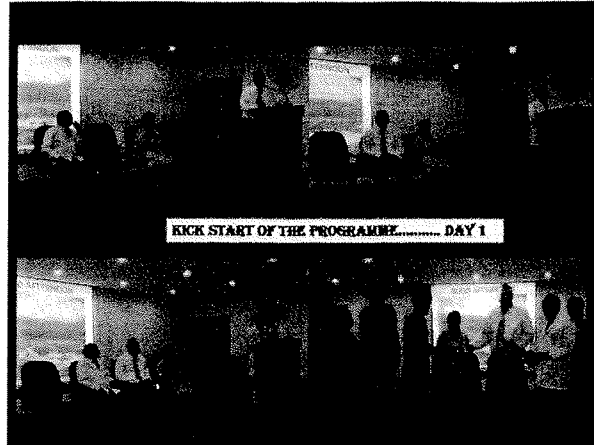

Dental care can sometimes be a forgotten part of a healthy life style. Oral health has been neglected for long in India. While its importance is often underestimated, the need for regular dental care cannot be overstated. The scarce information on dental health awareness, attitude, oral health-related habits and behavior among the low income population prompted us to make them aware of the oral hygiene practices. An urgent need for comprehensive educational programs to promote good oral health and impart education about correct oral hygiene practices was identified and hence Department of Periodontics, DSCDS in association with Department of Community dentistry drafted the Oral hygiene awareness month to address the burden of dental disease in an effective manner for bringing about 'optimal oral health' for all. This dental health awareness camp was conducted for all the attenders, housekeeping staff and gardeners of Dayananda Sagar Institutions on 27th and 28th of August 2019 at Seminar Hall ,Heritage building.

A total of 150 Participants were present and all were given a demonstration of oral hygiene practices and the importance of brushing and flossing were explained to them in a bid to spread oral health awareness. Oral health education was given using power point presentations and health educative models by our own faculty members Dr Sunil S, Associate Professor, Department of Periodontics and Dr Smitha B Kulkarni, Professor ,Department Of Community Dentistry, DSCDS. The programme was conceived and conceived by Dr Savita AM ,HOD ,Department of Periodontics and Dr Nagaesh L, HOD, Department of Community Dentistry,DSCDS.We are also thankful to our beloved Principal Dr Hemanth M,Principal ,DSCDS for encouraging and also to offer maximum concession for the basic treatment needs for them. Tooth Brushes and tooth paste were distributed to the participants to encourage them to practice proper Oral hygiene measures from the Department Of Periodontics. A day well spent for Department of Periodontics and Department of Public Health Dentistry as they spread healthy and beautiful smiles!

Report on Oral Hygiene day 2022

Oral hygiene day is a very special day for a periodontist and the general dentist as we are the brand ambassadors. National Oral hygiene day is celebrated on August 1st to commemorate the birth anniversary of Dr Govind B Shankwalkar, a true legend and father of Indian Periodontics.

Every year the department of Peridontology celebrates Oral hygiene day in a unique way. The theme for this year was "Healthier gums Stronger teeth".

The following events were conducted:

1. Smile contest
2. Slogan writing competition

Apart from the above events other activities were also conducted like

1. Distribution of free samples of free samples of oral hygiene aids to patients
2. Displaying of short oral hygiene videos

Oral hygiene awareness was given to all patients by giving educational pamphlets and displaying short video. Free samples were distributed to all patients reporting to the department. The program was followed for a week (1st to 7th August) and free scaling treatment was done to poor patients. Brushing techniques were demonstrated and Oral Hygiene Instructions were also rendered to patients. Interns, PGs and Staff actively participated in these events.

The incharge staff for the events were Dr Archana Naik, Reader and Dr K Sravani Sr Lecturer from the dept of Periodontology.

Rules for the competitions was clearly mentioned for the participants.

The theme for the Slogan Writing contest was "Oral hygiene and care". Slogan writing was presented as a powerpoint in one slide. Students came up with well written slogans to educate the importance of oral hygiene.

~~Good oral health is especially important for us because oral health equals overall health.~~

A healthy smile means that the **teeth and gums that are well-taken care of, clean and strong.** It is and expression of joy, pleasure and positivity. Hence the "smile contest" was an apt way to bring a sense of positivity in the students and promote the significance of good oral health to the people

There was active participation by the undergraduates and post graduates in both the competitions. Prizes were given for the best three for slogan writing and Smile contest.
