Annexure – I

The Department of Conservative Dentistry and Endodontics conducted a CDE program, Lecture and Demo on "3 SHAPE TRIO" on 07-03-2023 for the Post graduates and Staff members.

At the inauguration, the Principal emphasised on the importance of Digitization in dentistry. The speaker Mr Aravind, Unicorn Denmart clinically demonstrated the 3 Shape Trios scanner and software. The upper and lower arches of a volunteering patient were scanner and subjected to digital smile designing. The other features of the equipment such as scanning diagnostic casts, addition of patient photographs and digital smile designing were also discussed. All the participants found the lecture and demo very informative and had a lot to learn from this program. The Principal presented a token of appreciation to the speaker at the end of the program. Certificates of participation were distributed and feedback collected from the participants.

		Chairperson Dr Ramnarayan BK, Associate Dean and Head of Dept of Oral Medicine and Radiology, DSCDS followed by address by Dr Ashok L, President of IAOMR Karnataka branch, Dr Satheesha Reddy, President of IAOMR, Dr Prashanth Shenoy, Hon. Gen secretary IAOMR, Dr Ramamurthy, Hon. Gen secretary IAOMR Karnataka branch and Principal Dr Hemanth M. It was a power packed and fun filled scientific fest where 41 eminent guest speakers from across India shared their knowledge and practical tips with postgraduate students and guided them on how to prepare for the University examination. Quiz competition was conducted on all the five days by Mr Sunil Chiplunkar, Vice President, Business development, Group pharmaceuticals. The link for all the 5 days lectures was provided to the students. The programme was concluded by vote of thanks by Dr Preeti Patil, Assistant Professor, Dept. of OMR, DSCDS. We thank Group Pharmaceuticals for being collaborators for the programme and staff of RV Dental College and Hospital for their support in planning the programme. Total of 104 postgraduate students actively participated in the programme from all across India and made it a grand success.

Annexure – I

The aim of this workshop was to provide insights in the innovation in Laser dentistry and use of Blue laser wavelength. Hence the departments of Oral Medicine-Radiology and Periodontology of our institution organized a lecture and Hands-on workshop in association with NOVOLASE technologies India. Group Pharmaceuticals Ltd was the principal collaborator of this workshop. The workshop being held on 26th June 2023 with the Guest Speaker Dr Chandrashekar Yavagal.

Chief guests of the program were Dr Ranganath V, Principal of AECS Maruti dental college and Dr Sachin Manglekar, CEO Novolase. Other invited dignitaries were Dr Girish Giraddi, Dr Shivaprasad and few others. After a warm welcome to all the dignitaries, the guest speaker was introduced by Dr Sravani K (Faculty). The speaker delivered a sensational talk on Blue Laser wavelength, Red and Infrared lasers and its applications in the various fields of dentistry. The lecture was followed by a brief inauguration ceremony with the invited guests. Further, the first launch of the 'Blue laser' unit from Novolase was done by the dignitaries on the dais.

The live demonstration and workshop were carried out in the Dept of Oral and Maxillofacial surgery. The speaker demonstrated a case of Temporomandibular joint disorder with clicking, on a patient using a combination of Blue wavelength and infrared rays. Later management of Bruxism induced dentine hypersensitivity case was shown with the use of Blue wavelength. Post lunch the demonstration of the utility of the Novolase Unit was shown. The delegates underwent hands-on course on the disinfection of root canal, placement of incisions and tooth whitening. An interactive session was also held by the speaker where a discussion was held with the delegates. Lastly feedback was taken through Google forms.

8	Report	The Department of Oral and Maxillofacial Surgery, Dayananda Sagar Dental College, Bengaluru in association with "Jeevaraksha" and "Doctors for seva" organized a hands-on workshop on basic life support on 11 October 2023. This workshop was conducted by Dr. Yogesh and his team (Mr.Nagendra, Mr. Amaljit, Ms.Srujana, Ms.Nischitha, Ms.Spoorthi, and Ms.Sunjyoth) from Jeevarkasha. This program was aimed to inculcate basic and critical aspects of management of medical emergencies in dental undergraduate students.

Annexure – I

The Department of Conservative Dentistry and Endodontics in association with the committee of Dental Education Technology conducted a CDE program, Lecture and Demo on "Vital tooth bleaching on 10-02-2024 for the Interns batch (2023-2024), interested PGs and faculty.

At the inauguration, the Principal spoke about importance of vital tooth bleaching. The speaker Dr Dharam Hinduja, had a lively interaction with the students during the lecture which ended in a short QnA session. It was followed by a clinical demonstration on vital tooth bleaching in the Department of Conservative Dentistry and Endodontics. Other materials and techniques of tooth bleaching were also discussed during the demo. Students were very much captivated and had a lot to learn from this program. The Principal presented a token of appreciation to the speaker at the end of the program. Certificates of participation were distributed and feedback was collected from all the participants.

The Department of Conservative Dentistry and Endodontics in association with the committee of Dental Education & Technology, Dayananda Sagar College of Dental Sciences conducted a CDE program **"RETREATODONTICS - Lecture, Demo and Hands-on"** on 05-08-2024 for the Interns, Post-graduates and Faculty at CD Sagar auditorium, DSI

A formal inauguration was conducted, Head of the Department Dr. Vedavathi. B welcomed the gathering and introduced the dignitaries on the Dias. Principal Dr. Hemanth. M addressed the importance of Retreatment in endodontics to boost the participants interest in this program. ACE Karnataka former Founder - President Dr. Roopa Nadig graced the occasion and threw light upon the Tips and tricks and relevance of the topic in present day scenario in endodontics. Heads of the department in Endodontics from various colleges across Bengaluru also attended the Programme. The speaker Dr. Narasimhan Bharadwaj had a lively interaction with the students during the lecture which ended in a short Question and answer session. The program was hosted and vote of thanks given by Reader Dr. Ranjini. M. It was followed by a clinical demonstration on an extracted tooth in the auditorium followed by lunch for participants and faculty. Post lunch, there was hand-on session conducted for registered participants in seminar hall, Department of orthodontics. The hands on session was very efficient and effective. The Principal presented a token of appreciation to the speaker at the end of the program. Certificates of participation were distributed and feedback was obtained from the participants and they assured that they shall utilize the skill gained whenever and wherever needed and they also addressed that the programme was highly beneficial to the participants.

Annexure – I

Oral Hygiene Day was introduced to commemorate the birth anniversary of the doyen of Indian Periodontics, Dr G B Shankwalkar. It is celebrated on the 1st of August every year to spread oral health awareness and prevent periodontal problems.

Dental health care is one of the most neglected among many. While its importance is often underestimated, the need for regular dental care cannot be overstated. However, the lack of information on dental health awareness, attitude, oral health-related habits and behavior among the low-income population prompted us to make them aware of the oral hygiene practices. A dental health awareness session was conducted for all the attenders, housekeeping staff and gardeners of Dayananda Sagar Institutions on 1st August 2023 at Seminar Hall, Heritage building. A total of 135 Participants were present and all were given a demonstration of oral hygiene practices and the importance of inter dental brushing and flossing were explained to them.

Dr Archana R Naik, Reader, Department of Periodontology, explained different aspects of oral diseases and its importance and the impact of oral diseases on overall health was conveyed. Dr Koduru Sravani presented a talk on "Biomedical Waste Management and Segregation". A strong message on the importance of waste segregation was given to everyone.

The programme was graced by Dr Hemanth M Principal, and Dr Savita AM, Head and associate dean, Department of Periodontology. We thank our beloved Principal Dr Hemanth M for his encouragement and his mention about the consideration to provide maximum concession for the basic treatment needs.

At the end of the session Oral Hygiene samples and aids sponsored from Group pharmaceuticals and ICPA were distributed to all participants. Queries of the participants were also addressed. The audience thoroughly enjoyed the entire program and good feedback was given. A day well spent for Department of Periodontology.
