

Teaching -Learning process of the institution nurtures Creativity, Analytical skills and Innovation among students

The Institution believes in Fostering creativity, analytical thinking, and innovation among students requires a structured yet flexible approach. For example, in a classroom setting, assigning **problem-based learning (PBL)** tasks encourages students to explore real-world issues. A student might be tasked with devising a community dental health program, combining creative outreach strategies with analytical data on disease prevalence.

Another effective approach is the use of **interdisciplinary projects**. Group projects combining various departments could challenge students to design a viable and cost-effective solutions for various challenges our filed poses. This stimulates both creativity and innovation by blending knowledge from diverse fields.

Case-based discussions are instrumental in developing analytical skills. Presenting students with ambiguous cases helps them critically analyze symptoms, interpret lab results, and arrive at differential diagnoses.

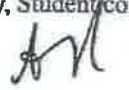

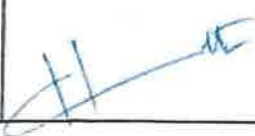

The Institution encourages on learning and practicing **evidence-based dentistry, IPR & Patents** to introduce entrepreneurship & startup culture in students. **Research** in various fields among students is also actively encouraged.

Finally, creating a supportive environment where students feel free to experiment and learn from failures builds their confidence and fosters innovative thinking. Integrating such strategies holistically prepares students for real-world challenges.

Navarathri celebrations were held on the 20th of October 2023. This program was organised by the Student Council Committee and was graced by Dr. Hemanth M., Principal of DSCDS; Dr Akshatha Prasanna, Assistant Professor in the Dept of biotechnology DSCE and Prof. Bhanu Revathi, Assistant professor in the Dept. of Biotechnology DSCE with the other faculty members and students of DSCDS.

Navarathri celebrations were carried out in Dayananda Sagar College of Dental sciences and what a splendid celebration it was. The student council had organised a "Bombe Habba", Doll arrangement competition in which the staff and students actively took part. The program started

with a melodious invocation song from Inchara Anath (Final year BDS). This was followed by the auspicious lighting of the lamp by the principal and the dignitaries. We then enjoyed a spell binding dance performance by the interns and the first years followed by a solo traditional dance by Raghashree (Final year) and the prize distribution for the Doll arrangement competition winners. The program was concluded with a vote of thanks and by giving a token of gratitude to the judges.

(CHRISTMAS CELEBRATION, 23/12/23 - SATURDAY)

Christmas celebration was held on 23rd December 2023 in DSCDS and was graced by the presence of all staff and students.

Christmas is a glorious and joyous festival that is celebrated annually across the globe commemorating the birth of Jesus Christ. Children and adults wait all year round for this day to share gifts and happiness among friends, family and loved ones.

Therefore, this year the students took the opportunity to celebrate Christmas in our college and share love and warmth among our colleagues. We conducted various events – Secret Santa, where students and teachers exchanged gifts; ornamentation of Christmas tree. There was also a floor decoration competition where the 1st 2nd and 3rd years decorated their respective floors beautifully which was judged by Dr. Smitha Kulkarni and Dr. Archana Naik.

A small event was conducted in the lobby which was attended by all the department heads, professors, students and non-teaching staff. The gathering was addressed by Jeff Patrick (Intern). The program ended on a good note with prize distribution and cutting of plum cake which is a Christmas delicacy.

Fresher's Day was held on 4th January 2024 and was organized by the DSCDS Cultural Committee and Interns at CD Sagar Auditorium from 9 a.m.

The program was graced by Dr. Hemanth M (Principal), Vice Principal, Associate Deans, other faculty members and the students of DSCDS.

The judges of the program were Dr. Sunjyoth HS (Neuro-physiotherapist, Dept. of Physiotherapy, DSU), Dr. Krishnan Bandyopadhyay (Associate Professor, Medical Electronics Engineering).

The program started with lighting of the lamp by the respected dignitaries followed by an invocation song by Ms. Inchara (4th BDS student). The gathering was then addressed by respected Dr. Hemanth M (Principal).

Later, it was followed by the introduction of UG and PG freshers, where the theme for UG's was "Indian cinema" and for the PG's was "Future fashion in 2050". It was an interactive session where the fresh UGs and PGs showcased their talents.

A fashion show on future fashion in 2050 was performed by the PG freshers. The intern batch and first year UG students put up gala performances. The program ended with the most awaited announcement of Mr. and Ms. Freshers UG and PG 2023 - Ms. Dominika Deka and Mr. Sai Gopal were UG Ms. and Mr. Freshers respectively; Ms. M K Mrunalini and Mr. Aman Prasad Saha were PG Ms. and Mr. Freshers respectively.

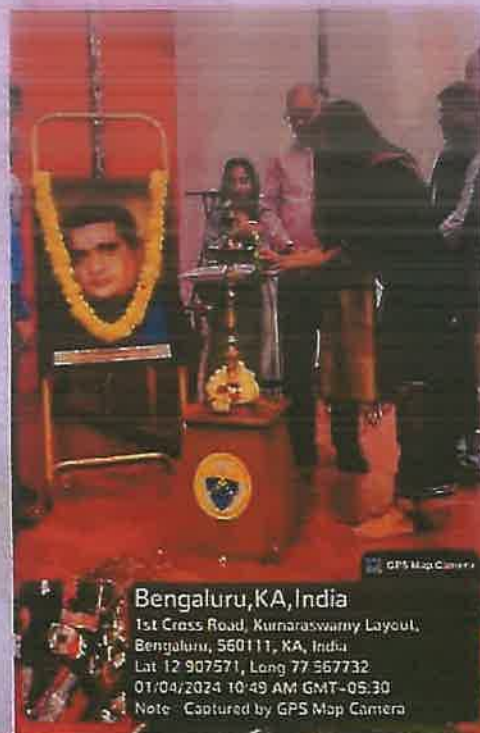

The event proceeded with a sumptuous lunch organized for all the staff and students. The program was a success with blend of culture.

MAKAR SANKRANTI AND BIHU CELEBRATION, 17/01/24 - WEDNESDAY

A Makar Sankranti and Bihu celebration was held on 17th January 2024 in DSCDS and was graced by the presence of all staff and students.

Bihu is a festival deeply rooted in Assamese culture. It marks the arrival of spring. Sankranti is a festival of harvest and these festivals express our respect to nature. So, we at DSCDS took up this opportunity to show our gratitude towards this wonderful tradition.

The celebration was organized in the lobby which was graced by the presence of The Associate Dean, Vice principal, heads of all the departments, staff and student. Some decorations were made in the reception area and a beautiful Rangoli was put which is a Sankranti ritual. The gathering was addressed by Sahana Suggi (Intern) who threw some light on the significance of both the festivals. This was followed by a mesmerizing, traditional Assamese dance of Bihu performed by Dominika Deka(First year), Akanshya Bora(Second year), Angelika Macaire(Second year), Debonita(Third year).

Distribution of 'Yellu Bella' is an age old custom of Sankranti. All the staff and students relished in some 'Yellu bella' and that brought us to the end of this diverse and heritage-rich event.

PROGRAM REPORT

Report:- Value added program on Personality development for students

Date of Program:- 02/02/2024

Timings:- 9 am to 5 pm

A personality development program was organized by **Dayananda Sagar College of Dental Sciences** in association with **Disha Bharat**. A non-profit social initiative organization "Disha Bharat" who conduct programs on "value based holistic approach to education" conducted this value added programs for our students. The students from 1st and 2nd BDS and the students from 1st year MDS attended the program on both morning and afternoon sessions.

The program started with a small Inaugural session attended by principal, faculty members, resource persons from Disha Bharath and students. The inaugural was

CDE programme and hands-on workshop was conducted by the Department of Conservative Dentistry and Endodontics, on the topic of interest "ANTERIOR RESTORATIONS SIMPLIFIED, ADVANCED COMPOSITE SKILLS and DIRECT VENEERS" in association with Dentsply Sirona. resource person for the same was Dr. ARUN JAYASHEEL. Reader, Department of Conservative Dentistry and Endodontics at Bapuji College of Dental Sciences, Davangere, Karnataka.

The CDE programme started at 9:30 a.m. in classroom 1 with a total attendance of 58 participants including final years, interns, PGs, staff, three private practitioners and one alumni member. The CDE programme was focussed on making everyone aware of the anterior restorative procedures and how to avoid common mistakes during the same. This was followed by a demo by Dr. Arun Jayasheel on typhodont teeth.

The Hands-on workshop was conducted in preclinical lab at the 4th floor of basic sciences building which was attended by 28 participants. The materials for the same were supplied by Dentsply Sirona. It was a wholesome learning experience for the participants as they got to explore a whole new way of performing anterior restorations using composite in an efficient and effective manner.

Annexure – I

The Department of Conservative Dentistry and Endodontics in association with the committee of Dental Education Technology conducted a CDE program, Lecture and Demo on "Vital tooth bleaching on 10-02-2024 for the Interns batch (2023-2024), interested PGs and faculty.

At the inauguration, the Principal spoke about importance of vital tooth bleaching. The speaker Dr Dharam Hinduja, had a lively interaction with the students during the lecture which ended in a short QnA session. It was followed by a clinical demonstration on vital tooth bleaching in the Department of Conservative Dentistry and Endodontics. Other materials and techniques of tooth bleaching were also discussed during the demo. Students were very much captivated and had a lot to learn from this program. The Principal presented a token of appreciation to the speaker at the end of the program. Certificates of participation were distributed and feedback was collected from all the participants.
