Dayananda Sagar College of Dental Sciences has set the strategic goal of being one of the most sought-after teaching institutions and hospitals for oral health education and oral health care services in India, and sustaining the same for the next 5 years.

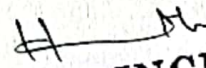

The Strategic Plan of the college for the period 2024-29 comprises of the following:

GOAL 1: IMPROVE TEACHING AND LEARNING QUALITY

- Institution strictly adheres to the curriculum put forth by Dental Council of India and Rajiv Gandhi University of Health Sciences every year and thereby achieve the student attributes and learning objectives and prepare the students for a successful career. The institution shall modify its curriculum as and when mandated by the regulatory bodies.
- Improving teaching learning methodologies thereby making the entire process of learning student centered, and provide the necessary training and infrastructure to achieve 100% results in the next five years
- Adapt Objective Structured Clinical Examination (OSCE), Objective Structured Practical Examination (OSPE) based evaluation in exams
- Include more problem-solving learning, patient centric and evidence-based learning, team teaching, creative teaching etc.
- To conduct several value-added courses, skill development programs, add-on programs, hands-on workshops, CDE, FDP programs every year with 50% student and faculty enrolment so as to achieve almost 100% in five years.
- In order to facilitate quality clinical training, institution aims to improve out-patient numbers by 10% every year by providing comprehensive patient care. Treatment at the hospital is provided at subsidized cost and at times free of charge depending on their economic condition which not only improves patient inflow for clinical training of the students but also benefits the patients.

GOAL 2: RESEARCH, GRANTS AND PATENTS

- Encourage undergraduate student research and facilitate funding for the research project to achieve substantial amount of funded research projects in the next five years.

- Optimal utilization of intramural research fund for financing under-graduate, post-graduate and faculty research.
- Seek sponsorship for scientific research work by mobilizing grants from government and non-governmental organizations, corporate agencies and philanthropists. Further expand and strengthen the tie-ups with other organizations and research centers.
- Students and faculty are encouraged to increase their intellectual output through quality research work and increasing their involvement in research.
- Promoting innovation and getting patency done for the innovative research products through conducting CDE programs and workshops.
- Utilization of the budget set up to provide financial assistance which will encourage students and faculty in presenting their scientific work at state/national conferences and to the faculty to publish their research in high impact journals.
- Improve the H-index of students and faculty by promoting publications in reputed International /National journals in five years.

GOAL 3: ACCREDITATIONS AND RECOGNITIONS

- The college aspires to be a bastion of dental education. To achieve this, the performance of the college has to be appraised, evaluated and recognized by government agencies like NIRF, NBA, NABH etc. College aims to get NAAC 'A++' grade in 2029 (2nd cycle).
- The ranking by National Institute of Ranking Network (NIRF) is of at-most importance in this regard since the college aims to be among the top 25 dental colleges in the country. The college is subjecting itself to be ranked by NIRF.

GOAL 4: SPORTS AND CULTURALS

- Institution encourages the students to participate in academic, cultural and sports activities at the state and national level and also provides special incentives for those representing in these events, which makes the institution distinguishable and discernable.
