**ACTIONS TAKEN BY THE COLLEGE FOR THE FEEDBACK AND SUGGESTIONS**

1. Improving the availability and access to learning resources- LMS software is being procured to address this issue.
2. Patient exposure – improved through many camps where students are posted .
3. Faculty training programs in research methodology to improve the research and innovation quality of the institutions.
4. Increase in number of faculty to strengthen the teaching learning environment – will be discussed with concerned personnel in the management.
5. Career development programs being initiated for students, knowledge on our role in clinical trials and medical writing.
6. Alumni meet planned.
